"So, granting even that the assessments are honestly lowered in proportion to the increase in membership, the amount paid in at the end of each year by each individual member will not have decreased a jot, but

member will not have decreased a jot, but will still remain \$250.

"Now," continued Mr. Koffler, "just imagine a person's paying \$8 for initiation fees, \$18 for dues and \$375 for assessments—in all \$401—in order to enjoy the privilege of being dowered to the extent of \$2251 is it likely that an organization which can contemplate by plausible suphisms to get people to invest \$401 for a dowry of \$225 can have the lionest intention of even paying this \$225 when it falls due?

No Assessment Levied Yet? No Assessment Levied Yet?
"It will be asked: How is it that members have not yet felt the burden of these heavy assessments, although many must have instried since the Order was chartered a month ago? Simply because no assessments have at yet been levied. Way? Recause the manipulators of this scheme are afraid to drive away good menthly-ques-paying members by the shock of the first assessment. ers by the shock of the first assessment.

"As the Order need not pay any dowry before the lapse of seventeen months from now it is not necessary to turn a cent late the chowment fund in all that time, during which the projectors of the Order may leisurely nit their pockets with the dues that are paid in monthly.

monthly.

"Let us see who they are that pay these fees and dues and possibly assessments, and, in the next place, who they are to whom this

money is paid.

"Those who pay are invariably liliterate persons 44-the poorest classes. They are made to believe that they will receive \$500 immediately on marriage.

"Let us see to whom the \$500 raised by each assessment is paid. Section 3 of the rder's charter says:

order's charter says:

"The President, Vice-President, Tressurer and Counsel are the trustees of the carporation. They shall open two accounts under their common name in the Trust Company. The Brest account shall contain the credit of all members for initiation fees and dues. The second account shall contain, under the title of Endowment Fund, all paid in assessments. Both funds can be drawn against only on an order signed by all the trustees, and the endowment fund only then when a member of the corporation is to be paid his down."

"The President. It is claimed by the container of the corporation is to be paid his down."

eerporating is to be paid his down;

"The President, it is claimed by the Order, is Coroner M. J. B. Messemer; the Vice-Fresident, Ernst V. Marschall; the Treasurer, Timoshy A. Fay, and the Counsel, Charles K. Lexow. Or these officers Coroner Messemer, and Gharles K. Lexow disclaim any connection with the Order and say that their names are used unauthorizedly. The zemaining two, Marschall and Fay, are practically the only persons who manipulate the money, and their honesty is the only Security members possess that the funds shall not be misapplied."

misapplied."

"I was a general agent of the Order and had power to engage sub-agents. These sub-agents were to receive \$3 for every new member they brought. I was to receive \$3. That is to say, the initiation fees went entirely to the agents, which, in itself, goes a good way towards showing that the whole affair cannot be jestlimate.

good way towards showing that the whole affair cannot be legit imate.

"I got together about two hundred agents. But instead or giving me the \$5 which was due to me from every new member procured by these agents, the officers of the Order managed it so that my commission as a rule went into their own pockets. For this I intend tringing a suit against the Order for \$10,700 for breach of contract."

At the Order's Central Office.

The Order of the Oid Colony has elegantly furnished offices fronting Union Square on the lourth floor of the Lincoln Building. An Evenine Works reporter called there, and upon stating his mission was cordially received by Vice-President F. V. Marschail.

"Fears are entertained by some people, Mr. Marschail," said the reporter, "that the endowment fund of, your Order is not properly secured, as the key to the fund lies in the hands of only two trustees. What ground as there for apprehension?"

"None whatever, replied Mr. Marschail.

"There is at present not a cent in the endowment fund, there having been no assessment made as you."

"If no assessment has ever been made, how At the Order's Central Office.

office; when he recurred he heid an envelope in his hand.

"You will kindly accept this?" he inquired as he handed the envelope to The Evening Works reporter.

A glance into the envelope showed that it contained a check for \$25.

"Excuse me, sir," said the reporter, returning the profered present (r). "Newspaper men are not in the habit of receiving gitts tendered in this way."

Lawyer Rieger Said, in reference to the methods of the Order of the Old Colory:

"There was a similar order in Miskoley, Rungary, about fitteen years ago, it was established and run by one Herrig on precisely the same lines as this Order. The inquesements held out to the power classes of people were exactly the same, and the result was that thousands of persons became members. Everything went along swimmingly until the first dowry came due. With it then the denouement.

"The assessment, instead of being as triffing as had at first been represented, proved \$5 onerous that the people could not pay it, whereupon they were suspended. A riot ensued and blood was shed in protusion before the police succeeded in restoring peace. Several persons were killed.

"Herris and his militions were arrested, where the police succeeded in restoring peace. Several persons were killed.
